COMMUNICATION

Sir:

This Communication is to bring to the Examiner's attention that U.S. No. 5,861,419, granted January 19, 1999, (*see* the Information Disclosure Statement dated September 12, 2003) discloses a method for preparing the compound of Formula A at column 47, line 20 to column 54, line 45, which resulted in the compound of Formula A in crystalline form designated in the instant application as Form I. The description of this method is entitled to an effective date as a reference pursuant to 35 U.S.C. § 102(e) of July 11, 1997, but is not found in any of the priority documents, U.S. Nos. 60/022,128, filed July 18, 1996, 60/027,139, filed October 1, 1996 or 60/041,814, filed April 8, 1997. Applicants submit herewith a Declaration of Louis S. Crocker pursuant to 37 C.F.R § 1.131, as well as evidence submitted therewith, establishing invention of the claimed subject matter prior to the effective date of the aforementioned process described in column 47, line 20 to column 54, line 45 of the '419 patent.

Please observe that in the copy of the notebook page submitted with the Declaration of Louis S. Crocker, the dates have been redacted.
